# ***Stem Cells and Cloning: Understanding the Scientific Issues and the Moral Objections***

**Rev. Tadeusz Pacholczyk, Ph.D.**  
Director of Education  
The National Catholic Bioethics Center

**March 22, 2007  
6:00 to 8:30 p.m.**

Fr. Pacholczyk will explain the Catholic position that views human embryonic life as worthy of absolute respect. He will discuss the travesty of funding endeavors to destroy human embryos in hopes of creating unrealistic medical breakthroughs. In addition Fr. Pacholczyk will also discuss the important issue of end of life care. Join us for this informative meeting.
